Welcome to Kununurra

Welcome to Kununurra, a friendly and welcoming town that has something for everyone, and the regional centre for the East Kimberley.

If you're new here, you might be wondering how to make the most of your time and get involved in the local community. Well, you're in luck, because Kununurra Neighbourhood House has prepared this 'welcome pack' to help you make new connections.

We hope that this welcome pack will provide you with the support and guidance you need to start your new life in Kununurra. Whether you are here for a few months or planning to stay for a longer period of time, we warmly welcome you and hope that you enjoy your stay here.

This Welcome Pack

Kununurra, like many northwest towns, has a transient population. Kununurra Neighbourhood House (KNH) supports individuals and families in adapting to the remote Kimberley lifestyle, where typical support networks may be absent.

To assist new residents in Kununurra, KNH has created this welcome pack containing essential information about the town, local services, and community networks. It includes details on community groups, clubs, and organisations to encourage involvement and connections.

This pack also offers valuable insights into what KNH has available. We provide residents with opportunities to socialise and connect with new people. We organise family support programs, community activity initiatives, regular events, and activities that are accessible to everyone.

Kununurra Neighbourhood House

KNH is a not-for-profit community organisation. We are committed to providing emotional and practical support within our community by preventing isolation through the development of support groups, networks, education and information available to individuals and families.

We aim to achieve this through the development of programs, support groups, networks, education and information available to individuals and families. KNH provides a friendly, informal place where community members meet for a variety of activities at minimal cost.

ABOUT US

Kununurra Neighbourhood House is a not-for-profit organisation led by volunteers, dedicated to serving our community.

We are focused on offering both emotional and practical support, aiming to prevent isolation by fostering the development of support groups, networks, education, and information for individuals and families.

About Kununurra

MIRIWOONG COUNTRY

Kununurra is situated on the traditional lands of the Miriwoong people. The name Kununurra means "big water" in the Miriwoong language, and refers to Lake Kununurra and the Ord River

Kununurra is a small town in the far north of Western Australia. It is located on the eastern side of the Kimberley region and is surrounded by stunning landscape and natural attractions. The town's population is just over 4,500 and is the largest in the region. It is a popular tourist destination due to the nearby attractions such as the famous Ord River, Lake Argyle, Mirima National Park and Purnululu National Park (Bungle Bungle Range). The town has a vibrant and diverse culture, with a strong Aboriginal presence and a thriving arts and culture scene.

History

Kununurra, founded in 1961 as part of the Ord River Irrigation Scheme, initially served as a service center for agricultural irrigation using the Ord River and Lake Argyle. The town quickly grew, with its population doubling from 1971 to 1981, and its economy diversified beyond agriculture to include services, tourism, and mining.

Kununurra boasts a rich and diverse history, starting with its traditional custodians, the Miriwoong people. In the late 19th century, the first European, Asian, and Middle Eastern settlers made their way to the region, and traces of this history can still be observed at Wyndham port and the Afghan cemetery.

Today, Kununurra is a vibrant town known for its stunning scenery and as a base for exploring the Kimberley region.

Location

Kununurra is situated among the scenic hills and ranges of the far north-east Kimberley region of WA, approximately 37km from the border with the Northern Territory and 3,215km from Perth by road. The nearest major city is Darwin approximately 800km away.

Weather

Kununurra has a hot, wet, and humid summer, while winter averages a pleasant 28°C.

The region experiences 2 seasons: Wet (November to April) and Dry (May to October). The wet season poses risks of severe tropical cyclones which cause destructive winds, flooding, and storm surges. It's important to have a cyclone preparedness plan and stay informed.

Heavy rainfall can lead to flooding, potentially isolating Kununurra for days or weeks, so stocking up on food is advisable before the wet season.

Population

According to the 2021 census of Population, there were 4,515 people in Kununurra, but due to the transient nature of the town, the influx of tourists and itinerant farm workers in the dry season, this number can more than double!

- Aboriginal and Torres Strait Islander people made up 28.9% of the population.
- 66.7% of people were born in Australia. The next most common countries of birth were England 3% and New Zealand 1.7%.
- 76.4% of people spoke only English at home. Other languages spoken at home included Miriwoong 2.2%.
- The most common responses for religion were: No Religion 43.5%, Catholic 15.3% and Anglican 5.9%.

Banking

The Commonwealth Bank (CBA) is currently the only bank operating in Kununurra.

You can withdraw cash from the following locations:

- CBA
- Post Office
- Shell (Coles Express)
- Kununurra Hotel
- Ord River Roadhouse
- Coles Centre Complex

It may be wise to keep some cash on hand as a backup, especially during the wet season, in case of power outages or damaged lines.
